Charlotte Public Schools Summer Fun Club

Week 1 June 13-17 Olympics

Test your athletic prowess with games that include running, jumping, and throwing. There will also be Brain Olympics to keep our minds in shape.

Week 2 June 20-24 Wacky Chef/Food

Get ready to eat foods you may never have tried before! The children will certainly have a hand in helping create some zany foods! We will also be traveling to Charlotte's own Pizza Hut

Week 3 June 27– July 1 Storytellers

There are many different ways to tell a story and your child will have a chance to tell theirs. Creating a short film story, writing a story, drawing/sketching a story, singing a story. Plus—Potter Park Zoo is coming to us “Meet Your Neighbors: Animals in Michigan.”

Week 4 July 5 –8

Tuesday—Friday only Outta This Planet

Explore our solar system within the comforts of the classroom and also the community. We will take a trip to the MSU Abrams Planetarium to learn even more about Outer Space.

Week 5 July 11-15

Symphony of the 5 Senses

We will be focusing on different ways to explore all 5 of the senses. Sure a lemon smells good and tastes sour but what does it feel and sound like when you squeeze it? We will also take a trip to Mooville Farms which will include touching, seeing and smelling the dairy cows, along with tasting soft serve ice cream!

Week 6 July 18-22

Junkyard Challenge

If you have “junk” bring it this week! We'll be exploring alternative uses to things we may normally see as useless. There will also be a competition to see who can build something from practically nothing!

Week 7 July 25-29

Wild Animal Week

Would you love to go on a safari but fear the danger inherent in that trip? Not to worry, we'll be learning about all the dangerous animals without the risk of being eaten by one. Our trip to Binder Park Zoo will include a safari portion where we may encounter giraffes and monkeys!

Week 8 Aug 1-5

Safety First

Here we will learn all about different ways to be safe and survive in many different situations. This week will include an in-house field trip of firefighters and police visiting us.

Week 9 Aug 8-12

Buggin' Out

Creepy, crawly, creatures are the highlight here. Not for the squeamish! We are hoping to arrange a trip to the MSU bug house.

Week 10 Aug 15-19

Wild West

Giddy up! Ghost towns, spurs, and saddles are the theme this week. Be sure to wear your cowboy boots and hats as we are headed to North Fork Outback Ranch one day this week for a taste of what life might have been like for a cowboy living in Texas.

Week 11 Aug 22-26

Artful Antics

Bring the left side of your brain this week. We will certainly have art on the mind as we create different works to display and be proud of. We are hoping to bring in a caricaturist to do drawings of each child.

Week 12 Aug 29—Sept 1

Monday—Thurs only

Wet N Wild

The name says it all! Be sure to bring bathing suits, towels, and whatever other aquatic necessities you may have. You're sure to get soaked!
