ATHLETIC DEPARTMENT

The Athletic Department supports the Charlotte High School Handbook. Students that attend Charlotte High School and wish to participate in athletics will receive an additional Student/Athlete Handbook and Code of Conduct and may also be viewed online. Participants in athletics will discover additional requirements set by the Athletic Department.

The Board of Education recognizes the inter-scholastic athletic program as an integral part of the school program and believes that students who participate in sports will learn the principle of good sportsmanship and school citizenship, as well as athletic skills. The board is committed to providing equal opportunity to compete in inter-scholastic athletics for both boys and girls and directs its superintendent and those responsible for athletic programs to recommend programs which will meet this goal.

The Board of Education, with support from the administrative staff, recognizes that competing in athletics is not a right, but a privilege and expects athletes to assume their responsibilities in adhering to the athletic policy established by the athletic council and approved by the board. Students who are members of the athletic teams shall keep in mind that they are not only representing themselves, but also their school, community, parents, and team. It is, therefore, expected that their conduct at all times (both on and off the field) will be the highest standard.

Charlotte High School Athletic Department supports the Michigan High School Athletic Association guidelines which state that all students wishing to participate in athletics must have a physical and written consent from a parent or guardian. Parental consent will not be necessary for students who have reached their 18th birthday. As in prior years the safety of students will be a high priority at Charlotte High School. We are sure that you are also concerned about the safety and well being of your child. It is important that adequate health and accident insurance be in place to protect against unforeseen health or accident claims which may arise. It is the responsibility of the parent to purchase and maintain such coverage for their child. The school district does not purchase insurance coverage for this purpose and does not reimburse or pay for medical bills for students who sustain injuries while participating in school activities.

If after reviewing your health insurance coverage, you find that you need supplemental insurance coverage for accident or injuries, you should contact your local Charlotte insurance agency. Students shall always comply with the district's requirement relative to insurance before participation. Students under a doctor's care for illness or injury cannot be allowed to participate in an athletic practice or contest until he/she has written permission from the physician to do so.

The Charlotte School District has high expectations for the student body and expects our fans to display a positive image and show good sportsmanship while attending a contest home or away.

HIGH SCHOOL SEMESTER RECORDS: High school student/athletes must have passed at least twenty (20) credit hours (6 of 8 regular blocks – 8 of 10 with a split block) the previous semester to be eligible to participate in athletics. Also, student athletes at the high school must be carrying and passing at least twenty (20) credit hours (3 of 4 regular blocks – 4 of 5 with a split block) during the present term up to within seven (7) days of contest.

CURRENT SEMESTER RECORDS: All student/athletes at the end of their eighth (8th) grade year must be passing five (5) of seven (7) classes to be eligible. If they fail to pass at least five (5) of their classes, they will be placed on probation and at the mid-term marking period they must be passing all classes. Failure to demonstrate such progress will mean a loss of eligibility.

The purposes of the above Charlotte High School standards are to reinforce that student/athletes are to be students before they can be athletes.

LOCAL DISTRICT ELIGIBILITY STANDARD: Charlotte High School student/athletes must meet MHSAA standards and demonstrate academic progress in at least one of the following ways prior to trying out for any sport.

1. Minimally achieve a cumulative 2.0 G.P.A. in either the 9-week or semester period previous to competition.
2. Students not meeting the cumulative 2.0 G.P.A. minimum may try out and will be placed on probation. At the next grade-reporting period they must either have the 2.0 G.P.A. or be passing all classes taken. Failure to meet this standard will mean immediate dismissal from the team.
3. Once a student/athlete has used #2 (probationary provision) to gain initial eligibility they must on all subsequent grade reports, both prior to and during competition, demonstrate G.P.A. improvement until they meet the 2.0 G.P.A. standard. Failure to demonstrate such progress will mean loss of eligibility.

EXAMPLE: In the fall a 10th grade student goes out for cross-country but has a 1.85 G.P.A. At the first term mid-marking he passes all classes and therefore maintains eligibility. In the following March he wishes to go out for baseball. His G.P.A. in the previous 9-weeks was 1.96 and he passed all classes. He has eligibility, but again at the mid-marking period must be passing all classes. If his G.P.A. had fallen to 1.80 G.P.A. he would not be eligible to participate even if all classes were passed the previous 9-weeks or semester.

Since the Student Services Office is the place where your permanent record is maintained, it is important that you inform them of any **CHANGE IN ENROLLMENT STATUS** (change of name, address, telephone number, guardianship, etc.) Also, should you need a **TRANSCRIPT** of your grades and test scores; they are available by signing the proper release forms as required by the privacy act.

Some of the programs coordinated by the guidance counselors are: Foreign Exchange Program, Gifted & Talented, Pre-College Information, Student Master Schedule, EISD Programming, Testing Programs, Special Student Recognition, Career Preparation, New Student Activities, and Curriculum Guide.

All counselors work with seniors regarding scholarships, college information, armed services, college representatives, student resumes, and pre-college information.

Students in need of personal and/or academic counseling are encouraged to see their assigned counselor. Students are assigned a counselor as follows:

A - J Mrs. Dykstra
K - Z Mrs. Jobson

Students wishing to arrange an appointment with their counselor should initiate a request with the Student Services Office Secretary. A pass from the Student Services Office will be provided to show your teacher **PRIOR** to the appointment. Students that fail to follow this procedure will be sent to class or marked absent/tardy.

DUAL ENROLLMENT: Historically, school districts have allowed their students to attend courses at local colleges or universities, in addition to their own high school, in an effort to meet student's needs and interests.

The Postsecondary Enrollment Options Act [1996 PA 160] and the Career and Technical Preparation Act [2000 PA 258], **require** school districts to support dual enrollment for pupils in grades 11 and 12 if one of the following conditions are met:

1. The pupil who has taken all of the MEAP high school test or the Michigan Merit Exam (MME) must have achieved a qualifying score in all subject areas on the MEAP high school test or the Michigan Merit Exam.

2. The pupil who has not taken the MEAP High School Test or the MME must have achieved a qualifying score in all subject areas on the ACT PLAN or the College PSAT readiness assessment.
3. If the pupil has not achieved a qualifying score in all subject areas on the MEAP high school test, the MME, the ACT PLAN, or the College Board PSAT readiness assessment, the pupil is eligible only for the limited purpose of enrolling in one (1) or more eligible courses in a subject area for which he or she has achieved a qualifying score, or in computer science or foreign language not offered by the school district, or in fine arts as permitted by the school district at a postsecondary institution.
4. If the pupil has not achieved a qualifying score in all subject areas on the MEAP high school test, the MME, the ACT PLAN, or the College Board PSAT readiness assessment, the pupil is eligible for dual enrollment in a career and technical education program at a postsecondary institution [that is not offered through the career and technical education program at the local school district, at the intermediate school district, or through an area-wide career and technical] if the pupil achieves a qualifying score in mathematics and a qualifying score on a nationally or industry recognized job skills assessment.
5. The number of postsecondary dual enrollment courses under the Postsecondary Enrollment Options Act and Career and Technical Preparation ACT that a pupil may take in their fifth year of high school is limited to two courses taken at any given time and not more than four courses taken during the school year unless the pupil is enrolled in an early college or middle college high school.

Charlotte Public Schools will pay the lesser of: (a) the actual charge for tuition, mandatory course fees, materials fees, and registration fees or (b) the state portion of the students foundation allowance, adjusted to the proportion of the school year they attended the postsecondary institution.

If you believe that you are eligible for Dual Enrollment and you wish to participate, please see your counselor.

GRADES: The marking system at Charlotte High School consists of the following symbols and grade point equivalents:

GRADE	GRADE POINT	GRADE	GRADE POINT
A	4.0	C	2.0
A-	3.8	C-	1.8
B+	3.5	D+	1.5
B	3.0	D	1.0
B-	2.8	D-	.5
C+	2.5	E	0

AWARDING OF CREDIT

Courses completed during the school day will be awarded a letter grade which will be calculated into the students' GPAs. Courses completed outside of the school day will be granted "Credit" or "No Credit" (this could include, but is not limited to, E2020 courses, Michigan Virtual High School courses, college courses, correspondence courses, etc.). Courses completed outside of a traditional classroom environment (such as online courses, dual enrollment courses, EISD Vocational courses, correspondence courses, etc.) will not be reported on report cards or Skyward Home Family Access. Upon final course completion credit will be reflected on the high school transcript.

High school courses completed by a student prior to being a 9th grader will be awarded high school credit upon successful completion. If the course is taken at the high school the student will be awarded a letter grade that will go on their high school transcript and will be calculated into their high school GPA. If the course is taken at the middle school the student will receive high school credit, which will be indicated on their high school transcript as "Credit" or "No Credit" (no letter grade).

GRADUATION CEREMONY/HONORS CONVOCATION: Participation in the Graduation Ceremony is a privilege, not a right. Students must be at Gold Level to participate in the Graduation Ceremony. Appropriate dress should be worn to both the Honors Convocation and Graduation Ceremony. Blue jeans, shorts, work boots and tennis shoes are not acceptable. ADDITIONAL REQUIREMENT

Participation in the Michigan Merit Exam (MME) is a requirement for graduation from Charlotte High School.

A minimum of 15 terms of full-time enrollment. Full-time enrollment is defined as four blocks or the equivalent per semester. Exceptions for full-time attendance must be approved by the principal, or in the case of special education students, by the Special Education Supervisor.

CLASS STANDING

All classes will need the following minimum credits for class designations:

- 6.5 credits to become a sophomore
- 14 credits to become a junior
- 22.5 credits to become a senior
- 31 credits required for graduation

CERTIFICATE OF COMPLETION

Students who do not feel they will be successful in completing the Michigan Merit Curriculum requirements (stated above) to earn a high school diploma will have the option to choose to pursue a Certificate of Completion. Students and parents should see their Guidance Counselor for requirements and additional information.

CREDIT RECOVERY

Students who fail classes (and may not be able to graduate due to lack of credit) may exercise one of the following options to earn additional credits. Students will be responsible for all course fees. ***Students need to see their counselor to enroll in any of the following programs:***

- 1) Summer School
- 2) Correspondence Classes
- 3) After School Work Experience
- 4) Online Courses

In addition:

1. Any senior student who becomes credit deficient as of the end of Term 3 of their senior year will need to see their Counselor to make arrangements to recover the deficient credit. A credit recovery plan must be in place (which means all course work has been ordered/started and paid for in full by the student) by April 30th in order for the student to be allowed to participate in the commencement program.
2. Students who fail to earn enough credits to graduate will be required to make up the credit deficiency prior to September 1 following their class's graduation in order to receive a diploma for that year. The diploma will not be released to the student until all graduation requirements have been successfully completed.
3. Students may not apply more than a total of three (3) credits earned outside of the regular school day toward graduation requirements. This includes courses taken in summer school, correspondence classes, after school work experience, or online courses.
4. All correspondence course work (including final exams) being completed after Term 3 must be submitted to the correspondence school no later than August 15th. Upon confirmation of satisfactory correspondence course completion Charlotte High School will award credit. Students assume full responsibility for successful completion of correspondence courses.
5. After a student starts high school they are expected to graduate in a four (4) year period. If a student is unable to complete their graduation requirements within a four year period and needs to make up more than the three (3) credits allowed through the Credit Recovery options noted above, Guidance Counselors and Administration will work with the student to chart the best course for completing high school. The plan will be consistent with the student's post-secondary plans and their history of school progress. Options to explore will include a fifth year at Charlotte High School, the G.E.D. process, Charlotte Public Schools Learning Center, EISD/LCC Vocational Courses, and Co-op, in combination with credit recovery options listed above. In most cases it is expected a fifth year student will complete within one additional semester.

INCOMING TRANSFER STUDENTS: Students transferring to Charlotte High School from another school will be required to enroll as a full-time student for two full semesters and earn at least 8.5 credits in order to qualify for a Charlotte High School Diploma unless there is evidence of extenuating circumstances as determined by the principal and approved by the superintendent.

Transfer credit will be accepted from schools in Michigan that are NCA accredited or on the list of Michigan accredited schools. All other credits will be evaluated on an individual basis and may require an equivalency assessment.

INCOMPLETES: Incomplete grades must be completed within two (2) weeks (10 school days) after the end of a marking term/semester, in accordance with a plan established between the teacher and student; otherwise the grade will be recorded as an "E".

OUTGOING TRANSFER STUDENTS: Students transferring to another school or withdrawing from school must come to the Student Services Office to secure a Withdrawal Form. Students must take the Withdrawal Form to each of their teachers, Media Center, Athletic Office and Attendance Office before leaving school. The completed form needs to be returned to the Student Services Office.

NOTE: All school materials must be accounted for before final drop or withdrawal.

REPEATING COURSES: Students receiving a term grade of "C+" or lower may repeat that course. Both grades will be reflected on the transcript, which will result in an average of the two (2) grades. The course may not be taken out of sequence. For example, if a student completes English 9 and goes on to English 10, they may not go back and repeat English 9.

OPEN PERIODS/EARLY GRADUATION: Seniors who have completed their graduation requirements by the end of the third term of their senior year may elect not to attend school during the fourth term of their senior year. Students who elect this option will not be allowed to participate in school activities during 4th term.

Fourth term seniors may also elect to have one open block during the first or fourth block if, by enrolling in three classes, they will have enough credits to graduate with their class.

Seniors must have written permission from a parent/guardian to graduate early or have an open period. Applications are available in the Student Services Office.

It is important that students understand the following before requesting an open period or early graduation:

1. Students must be enrolled and passing three credits in order to participate in school athletics.
2. Students will be required to leave the building during their open periods.
3. Students cannot drop an 18-week or full-year course to have an open period.
4. Transportation will not be provided to accommodate an open period.

SENIOR HONORS AND GRADE POINT AVERAGE: Seniors earning graduation honors must have been in attendance at least three semesters at Charlotte High School. This includes students transferring from a public, private or accredited charter school setting. Home School and Foreign Exchange students must be in full-time attendance at a public, private or accredited charter school for at least six semesters to earn graduation honors.

The valedictorian and salutatorian must have met DAS requirements. For the purpose of reporting honors status and class rank, final grade point average (GPA) will be determined by the cumulative grade point average at the end of the third term of the senior year. Grade point will NOT include summer school, correspondence or night school classes. Final transcripts, which are sent to colleges, will include fourth term grades. The grade point average is calculated three decimal places to determine class rank (example: 3.512).

SCHEDULE CHANGE POLICY: Students must adhere to the following guidelines when requesting any schedule changes. Requests will be honored for exceptional circumstances as space is available and as indicated below. There will be a designated day/time before school starts for schedule changes. Schedule changes will be allowed for the following reasons:

- Incomplete schedules – no open periods are allowed, all students must have a complete schedule (if you do not have a complete schedule and you do not come in before school starts we will select courses to fill your schedule);
- Seniors wishing to drop classes to add Co-op (approval from Co-op Coordinator is required); and
- Level Change – such as the student did not pass English 9 and cannot go on to English 10; or the student decided to take Advanced Composition instead of Composition.

Any schedule change request that does not meet one of the criteria listed above must be submitted to the Student Services Office in writing with a parent signature prior to the start of the school year (Schedule Change Request forms available in the Student Services Office). Written requests will be considered for exceptional circumstances only, as long as space is available, the change moves the student from a larger class to a smaller class with the same teacher, and it does not involve rearranging the student's schedule. These requests will be submitted in writing and students will have to check back with the Student Services Office on the first day of school to find out if their schedule has been changed. Schedules will not be changed to honor requests for a different teacher, to be in class with a friend, etc.

SENIOR RELEASE FORM: Prior to leaving school each senior must have completed a Senior Release Form. This verifies that all accounts are current, textbooks and Media Center materials are returned, and athletic uniforms accounted for. Early graduates must do this also prior to leaving at the end of the first semester.

Failure to turn in an approved Senior Release Form to the office will jeopardize participation in commencement and honor exercises and may delay awarding of the diploma.

TESTING OUT OF COURSES: Testing Out of a Class: In 1995, the Michigan Legislature passed Public Act 335 which requires that high schools develop alternative options for students to fulfill academic requirements. Section 1270B of the State School Code requires schools to provide an opportunity for high school students to "test out" of any course. The "test out" option does not include those courses in which students are currently enrolled.

In order to "test out", students need to exhibit mastery of the subject matter by attaining a grade of not less than a C+ (77 %) on a final exam. The student may also be required to demonstrate mastery through other basic assessments used in the course such as portfolio, performance, paper, project, or presentation, in addition to or in lieu of, a final exam.

Teachers and counselors are not responsible for tutoring or providing instruction relative to students "testing out" of the course.

Testing Out Schedule:

- Beginning of September- Applications available in the Student Services office
- End of September – Completed applications are due to the principal
- Beginning of October – Class test-out packets available
- Beginning of December – All required course work is due/final exam is taken

Please note that by "testing out" of a course, a student will miss participation in discussions, classroom activities and opportunities to develop the skills which are nurtured by daily contact with the teacher and fellow students. If you have any question or concerns, please contact your child's counselor. Applications are available in the Student Services Office.

CELL PHONES AND ELECTRONIC COMMUNICATION DEVICES (ECDs)

A student may possess a cellular telephone or other electronic communication device (ECD) in school, on school property, at after school activities and at school-related functions according to following guidelines. This is a privilege and is subject to the following guidelines:

The student who possesses a cellular phone or ECD shall assume responsibility for its care. At no time shall the District be responsible for preventing theft, loss or damage to cell phones or ECDs brought onto its property, even in the event the phone is confiscated by the staff or the administration.

1. Students are prohibited from using cell phones or other electronic communication devices or having them “on” during class time, this includes texting function. Students that choose to have/bring their cell phones to school will be required to follow all school and class room rules in regards to how cell phones are to be handled/stored during class time.

Cell phones or ECDs may not be “On” or otherwise used in the school locker rooms, restrooms, whether here or at another school district where a school activity or athletic event is occurring.

This includes the use of the picture feature available with some models of cell phones or ECDs. Violation of this provision is a serious offense and can lead to severe penalties, up to and including expulsion.

3. Cell Phones or ECD's that are suspected of containing inappropriate material (pictures, texts messages, etc.) will be confiscated and reviewed by administration. Inappropriate material will be copied and shared with police and/or parents. Students who possess such material are subject to disciplinary action. Violation of this provision is a serious offense and can lead to severe penalties, including police charges, up to expulsion.
4. Student-athletes are not permitted to possess/use cell phones while participating in athletic contests or events. The Athletic Handbook speaks to specific guidelines relative to cell phone use at other times.

Possession of a cellular telephone or other ECD by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuses of this privilege.

Failure to surrender phone to any staff member will result in a referral under insubordination. Any student using a cell phone or ECD in locker rooms, weight room, dressing rooms or restrooms at school or in another school district could be subject to expulsion.

FINAL EXAM POLICY: All classes at Charlotte High School have a semester final exam or some kind of cumulative assessment/project, etc. Students that fail to take their final exams have not completed the course and risk failing the entire semester. Students that are unexcused on exam days will not be allowed to make-up the exam.

Requests to take exams early or later are granted sparingly and must be approved by the principal.

FIRE DRILLS: Six (6) fire drills will be held periodically during the school year. The signal for a fire drill is the sound of the fire horn. A very serious attitude is expected from all students during a fire drill. Each of the students' teachers will give instructions as to where to go in case of a fire drill. **WALK QUICKLY AND QUIETLY** to your assigned places. There is to be no talking. Do not block the driveways. Move completely away from the building. Allow the fire trucks room to get close to the building.

HALL PRIVILEGES: In order for students to be able to move about the building during regular class time they must possess an ID card. Hall passes can be issued by administrators or staff members and should reflect specific information such as time of departure, destination, and signature of the person issuing the pass. Failure of students to follow this process will result in disciplinary action.

Student lockers, desks, and other containers or storage areas assigned for student use remain the property of the school district and within the control and supervision of school district personnel and officials. Lockers, desks, and other containers or storage areas assigned to students are subject to inspection by school personnel or authorities at various times without the prior consent of the student and the student should not expect privacy regarding items placed therein.

Lockers must be cleaned by the student before leaving on the last day of school. Lockers will be cleaned by the school staff the afternoon of the last day of school.

6. Parents/guardians will pick up all medication at the end of the school year. Any unused medication unclaimed by the parent will be destroyed by administrative personnel when a prescription expires or at the end of the school year.
7. Medication will be stored in a locked cabinet or container in a designated location. Students may carry asthmatic inhalers if: a) the student has written approval from a physician or other health care provider; and 2) the principal or other chief administrator of the student's school has received a copy of the written approval on Form 5330 F1c.

LANSING SHARED TIME STUDENTS

Students attending shared time classes at Lansing Community College may ride a school bus to and from those sites. Students who choose to drive understand the school is not responsible for those students.

To clarify any confusion that may exist regarding bus departure times for off-campus students, please note the LCC bus will leave and return at the following times:

FOR STUDENTS WITH 1ST AND 2ND BLOCKS AT LCC: BUS LEAVES AT 6:40 A.M. RETURNS AT 10:50 A.M.

FOR STUDENTS WITH 3rd AND 4th BLOCKS AT LCC: BUS LEAVES AT 11:15 A.M. RETURNS AT 2:40 P.M.

In order to avoid any misunderstanding concerning our school policies regarding bus transportation, please read the following carefully.

BUS BEHAVIOR - All students are expected to behave cooperatively, respectfully, and responsibly. Failure to do so may result in removal from your vocational program.

LOBBY BEHAVIOR – When returning to the high school after vocational classes, you are expected to enter the hallways quietly as you go about your business. Failure to do so will be treated as a violation of school policy and dealt with accordingly.

TRANSPORTATION POLICY FOR OFF-CAMPUS/SHARED TIME EDUCATIONAL PROGRAM – Per the Career Preparation Center Parent/Student Handbook juniors are not permitted to drive to the Career Preparation Center programs if their home school provides bus transportation. Juniors and seniors that do not have bus transportation provided **must receive permission from their home school BEFORE THEY BEGIN DRIVING**. The Career Preparation Center and Lansing Community College reserves the right to deny or suspend driving privileges. Parking is restricted to the street, parking ramps, or school parking lot based on availability. Students must pay all their own costs related to driving their own vehicle. The driving privilege will only allow the driver to drive his/her own vehicle – it does not allow other students to ride in that assigned vehicle.

Auto Body and Auto Mechanics students must obtain a “driving request” from their program instructor to drive **when their vehicle is being repaired**. The form is available from their program instructor and **must be completed and signed by all parties before the work/repair begins**.

HIGH SCHOOL CODE OF CONDUCT

The primary objective of the Student Code of Conduct is to assist each student in developing responsible, self-controlled behavior. It is designed to protect each student's rights to the fullest educational opportunity available within the school system by establishing standards of conduct.

Charlotte High school operates using a positive discipline model, which emphasizes privileges verse rights. This system implements a card system to determine the privileges for each level. Students are expected to present their card when asked, failure to do so will result in suspension of all privileges until card is presented.

Students who lose their cards due to code of conduct violations will have the opportunity to earn their cards back when consequences are served. Cards will be reissued daily during 4th block only. Students who lose their cards will be expected to replace them (at the cost of \$5.00) to access privileges.

The following is a list of unacceptable student behaviors and the consequences which will result for any student, regardless of age, who is under the schools' jurisdiction. The list is offered as an example of categories of misbehavior to provide clarification for students, and it is not intended to be all-inclusive.

NOTICE TO STUDENTS!!! MANDATORY SCHOOL EXPULSION RECOMMENDATIONS: The following offenses result in immediate recommendation for expulsion from school: Possession or use of any firearm or look-a-like firearm, possession or use of dangerous weapons or look-a-like dangerous weapons, sale and transfer of drugs, arson, and sexual misconduct (#'s 1-10). Persistent disobedience, which constitutes the continuous disregard for repeated infractions of school regulations, may also lead to expulsion (#35).

Such immediate suspensions and recommendations for expulsion (#'s 1-3) are in accordance with the Federal Gun-Free Schools Act of 1994, the State of Michigan Law: Public Act 328 of 1994, and/or Charlotte Board of Education Policies 5131.1 and 5131.7.

DISCIPLINE CODE OF CONDUCT PROVISIONS: Provisions of the Code of Conduct are in effect during all daily classroom and/or building programs (including lunch), including all field trips, out-of-state or international trips, extra-co-curricular activities, athletic teams and other activities that are school-sponsored or school-related.

Building administrators have the authority to execute the discipline outlined above. The severity of the violation will determine the degree of discipline administered within the above stated guidelines. Exceptions may occur only under extenuating circumstances.

A student on suspension will not attend his/her regular classes or participate in extra/co-curricular or athletic team activities during the dates of the suspension. There is a loss of all social privileges.

Students that violate the Code of Conduct while representing the school or are on a school trip may lose privileges to participate in further school related activities and/or trips.

Parents shall be notified in all cases of suspension and/or when a student exhibits a history of unacceptable conduct. Records of such involvement shall be maintained in the building administrator's office.

Any behavior that results in a suspension will carry the additional consequences of school privileges being suspended. School privileges will be forfeited double the length of the student's suspension, ie: 1 day will equal 2 days of loss of privileges.

SATURDAY SCHOOL RULES AND REGULATIONS:

1. Saturday School is assigned by the assistant principal for violations of discipline code of conduct, exceeding the attendance requirement, truancy, missing ZAP or Private Dining.
2. Saturday School runs from 8:00 a.m. until 11:00 a.m.
3. If there is a snow day on the Friday prior to a scheduled Saturday School, Saturday School will be canceled and will be rescheduled for the next scheduled Saturday School. Students assigned to a canceled Saturday School need to be responsible and check with the Main Office regarding rescheduling Saturday School.
4. Students report to the front of the building between 7:50 and 8:00 a.m. to be admitted into the building. Students that do not report by 8:00 a.m. will be marked absent and considered unexcused with subsequent disciplinary action to follow.
5. Students should come prepared with homework assignments and the required books and materials to complete them. If no work is brought, work will be given and student will be required to complete and submit the assignment.
6. Students that are disruptive, uncooperative, or fail to attend Saturday School will be removed and subsequent disciplinary action will follow (which may include but is not limited to: suspension out of school or expulsion).
7. Weather permitting students may be assigned ground(s) maintenance around the school such as picking up trash, pulling weeds, cleaning sidewalks, etc.
8. Students who fail to attend Saturday School will have privileges suspended until Saturday School time is served.

OUT-OF-SCHOOL SUSPENSION: Students will be assigned to an out-of-school suspension whenever the school administration feels the rule infraction is of a more serious nature, for persistent disregard of school rules or when a student's continued presence in school poses a physical threat or seriously affects the safety, health or well being of others.

Students who are suspended will lose school privileges double the length of suspension

The length of suspension will be determined by school authorities and will reflect the offense committed, but shall not exceed ten (10) school days. The parents or guardian will be notified in writing of the action taken, and will have the right to appeal. **Suspended students may not loiter, appear on school property or attend any school-sponsored activity at home or away from the school.** They will be allowed to make-up work and tests missed. However, it is their responsibility to make arrangements with their individual teachers. In addition, when students are suspended and they have prior knowledge of certain classroom assignments (notebooks, reports, quizzes, tests, speeches, etc.) students are expected to have these requirements ready upon the date of return from suspension.

EXPULSION: Expulsion means the removal of a student from school for more than ten (10) school days. This sanction is reserved for the most serious rule infractions, including persistent disobedience, and can only be applied by the Board of Education with a provision for a hearing before the Board.

DISCIPLINARY APPEAL PROCESS: At the time that a disciplinary consequence is being assigned for inappropriate student behavior, the parent may disagree and wish to appeal to the next level of administrative authority (high school principal). This should be initiated in writing within 24 hours. Any appeals beyond the high school principal will be resolved by the superintendent or his designee.

ATTENDANCE POLICY INTRODUCTION

Students cannot expect to learn or succeed in school unless they attend on a regular basis. When students are absent, they miss up to six (6) hours of instruction each day. While provisions can be made to make up some assignments, nothing can replace the instruction and interaction which has taken place in the classroom. To benefit from the primary purposes of the school experience and to develop appropriate work habits for employment in the work force as an adult, it is essential that each student maintain a regular punctual daily attendance in all assigned classes. School experiences are an important preparation for the future.

At Charlotte High School, the teaching staff and administration hold high expectations with regard to attendance. Specifically, students are expected to:

1. Accept responsibility for their own actions related to their attendance. (A good rule of thumb to follow: Would the student's absence or tardiness be considered acceptable, appropriate, or "excusable" in the work place by an employer?)
2. Attend school on a regular, consistent basis and arrive promptly at their assigned classes.
3. Understand, and comply with the school attendance policies and demonstrate punctuality and effort toward successful school experiences.
4. Demonstrate respect at all times toward all school personnel when the attendance and tardy policy is being applied and/or administered.

ATTENDANCE REQUIREMENT

Students are expected to attend school on a regular and consistent basis. Teachers at Charlotte High School utilize participation points for students enrolled in their classes. Students who miss school do not do as well as students who attend regularly; therefore, students that fail to attend regularly place themselves in jeopardy of receiving lower grades. Participation points can only be earned when a student is in class. Non-chargeable absences will not hurt participation.

When an absence occurs, it is the responsibility of the student to arrange a time with teachers to gather missing assignments or complete a missing quiz or test. This time might occur before school, during lunch, or after school. A general rule for making up work to be completed is one day for each day of absence. Long term absences will be dealt with individually by the teacher and student. The teacher syllabus may have department policies that further explain expectations on make-up work, testing, etc. Certain assignments/labs may be impossible for students who are absent to make-up. When this occurs an alternative assignment can be requested by the student unless they have exceeded 5 absences per term in the class or the student's absence is unexcused.

EXCUSED ABSENCES

The following absences are considered to be excused and need to be verified by a written parental excuse or a phone call **within 48 hours of the student's absence**. If you are unable to contact the Attendance Office during working hours (7:15 a.m. until 3:45 p.m.), voice mail is available from 3:45 p.m. until 7:15 a.m. by calling 541-5640.

1. Illness or hospitalization. The school district reserves the right to require corroborative evidence when deemed necessary.
2. Serious illness or emergency in the immediate family.
3. Attendance at a funeral.
4. Religious instruction and/or obligations (arranged in advance).
5. Professional appointments which cannot be made after school (dentist, doctor, court appointments, etc.).

NOTE: Passes from the Main, Attendance, Student Services or Athletic Offices will be clearly marked "excused", "unexcused", or "non-chargeable".

GUIDELINES REGARDING ABSENCES

1. If at any time a student's absence pattern is deemed questionable, an assistant principal will review his/her attendance record. If there is any question about the absences, a student/parent conference will be arranged with the assistant principal. Further action may be taken such as:
 - a. Requiring a doctor's statement for any future absences related to personal illness. Thereafter, absences not excused by a doctor will be considered as unexcused/truant.
 - b. Submitting a referral to the court for students under 16 years of age who are continually marked unexcused/truant. (Reference: Compulsory school attendance provisions of the Michigan School Code, MCL 380.1561-1599).
2. In the event the parents are in disagreement with the administration of the Attendance Policy, they may appeal to the attendance appeal committee. The attendance appeal committee will be made up of two (2) teachers and one (1) student representative from Student Council. The appeal must be initiated in writing within 72 hours of the event which raises the concern. The decisions reached by this committee are final. **NOTE:** Appeals which are suspension oriented are **not** heard by this committee.

NON-CHARGEABLE ABSENCES

Certain school-related absences will not be charged toward the attendance requirement or outstanding attendance incentive, such as:

1. Approved school activities.
2. Class absence due to an appointment with school personnel.
3. Arrangements for college visitations made through the Student Services Office.
4. School-imposed suspensions. On days of suspension students do have the opportunity to make-up work missed. An appropriate time frame to complete missed work when suspended must be arranged between the teacher and student. However, when students are suspended and they have prior knowledge of certain classroom assignments (notebooks, reports, quizzes, tests, speeches, etc.) students are expected to have these requirements ready upon the date of return from suspension.

SENIOR OUTSTANDING ATTENDANCE INCENTIVE

Seniors who meet the following criteria second semester will be given the opportunity of selecting not to take one (1) of their final exams (a class of their choice) at end of fourth term only.

1. Zero (0) unexcused/truant absences.
2. Zero (0) to three (3) total absences per class. **No exceptions.**
3. Zero (0) to three (3) total tardies (cumulative over all classes). **No exceptions.**
4. A grade of "B-" or better in the class the student chooses to opt out of the final exam (average of both nine-week terms).
5. When students are suspended from school, they cannot opt out of a final exam.

NOTE A: It is the student's responsibility at the end of 4th term to make sure all the above criteria are met and to verify through the assistant principal's office which final exam is being selected to omit.

NOTE B: During the final three (3) days of 4th term, attendance records are stopped and completed in order to verify which seniors are eligible for the incentive. At this

point the Attendance Office will put together a list of seniors that meet the requirements.

REPORTING PROCEDURES

Parents are expected to contact the Attendance Office (541-5640) on the day of the absence. Voice mail is available from 3:45 p.m. until 7:15 a.m. for the purpose of excusing your child's absence if you are unable to call during school hours **OR** the student is expected to bring a note to excuse the absence on the day he/she returns to school. The note should include:

1. Student name
2. Date(s) of absence
3. Reason for absence
4. Parent signature

TARDY POLICY

Tardiness is disruptive to the smooth functioning of a classroom. Students are considered tardy if they are not inside the classroom when the tardy bell sounds. Students will be marked tardy when late to class between 1-19 minutes late. Students will be marked **L-AL** if 20 or more minutes late to class. Tardies are recorded in the teacher record book.

Tardiness (unless detained by a staff member) is defined as an unexcused absence of a student after time that the class was scheduled to begin. **L-AL** is defined as an unexcused absence of a student from class when a student arrives to class 20 or more minutes late. **L-AL may not be excused, unless a student is late due to a medical, dental, or counseling appointment, a family medical reason, a funeral, or other cause as validated by the attendance secretary.** Staff members who detain students from reporting to class on time (not due to time make-up policy) will issue a pass to enter the next class. Staff members will honor these passes.

TIME MAKE-UP POLICY & ATTENDANCE RECORD: Students who are tardy must make up time based on the following:

TIME LATE	MAKE UP TIME	ATTENDANCE CODE
1 Minute or less	Held one minute after class same day	T
1-20 Minutes Late	Automatic 10 minute make up time with teacher served by the end of the following day	T
20 Minutes or later	Automatic referral to office. Private dining assigned.	L-AL
Gone entire block		A

The consequences of tardiness in any class are as follows:

MINUTES	CONSEQUENCES
1-3	Time make up policy is enforced. After 3 rd tardy, parent contact is made by the teacher.
4	A 20 minute after school make-up session is assigned and served with the teacher
5	Students will be assigned 1 day of Private Dining
6+	A parent and student conference will be scheduled and held with teacher and assistant principal. Privileges will be suspended for a minimum of 1 week. Subsequent tardies will result in additional privilege restrictions.

Students must adhere to the policy when tardy to class. Failure to do so will result in an automatic referral.

TRUANCY AND UNEXCUSED ABSENCES

The following absences are considered to be unexcused and/or truant:

1. Failure on the part of the parent to properly report an absence by telephone or note **after 48 hours of the student's absence**.
2. Being absent without parental approval.
3. Being absent from an individual class period without teacher permission.
4. Leaving school without following the "sign-out" procedure.
5. Conducting personal business that could be done outside the school hours (i.e. hair appointments, shopping trips, going out to lunch, etc.)
6. Oversleeping.
7. Transportation problems not caused by the school (i.e. car trouble, missing bus).
8. Students that leave class without teacher permission will be marked unexcused and will lose privileges for one (1) week.

NOTE: All unexcused/truant absences will be recorded per class hour per nine (9) week marking period. Also, parents can request conferences at any time when concerns arise.

The consequences for truancy and unexcused absences in any class are as follows:

For any unexcused absence that occurs, the student forgoes any right to any work or assignments missed. Meaning: grades or credit will be recorded as a "zero" or "E" for the day/class period he/she is unexcused absent.

In addition, the Attendance Office and/or the assistant principal will contact parents to inform them of their students' absence problems. During the contact parents will be encouraged to speak with their child and outline the importance of school attendance and how non-attendance has a negative effect on their learning and overall grades. At the discretion of the assistant principal, students may not be allowed to return to school after an unexcused absence until a parent/school conference has occurred. Ultimately, students being personally responsible for their attendance actions are of critical importance, if no unexcused absences occur, there are no assignments recorded as "zero" or "E" in regards to the unexcused absences attendance provision.

NOTE: Students that are persistently truant/unexcused absent will be in jeopardy of: 1) if they are 16 years of age being dropped entirely from school or 2) if they are not 16 years of age being continually suspended from school at the 1-10 days out-of-school levels or 3) be given the option to apply for enrollment in an alternative education school.

An absence without the knowledge or permission of a parent/guardian or school authority will be considered a truancy and students may not attend any school related activity the day they are considered truant.

OFFENSE – Conference with administrator, parent notification and student will be assigned Saturday School with loss of school privileges for 1 week.

VACATIONS: Parents are urged to take vacations with their children during the normal school vacation periods. With the implementation of the block schedule, vacations scheduled during school time are not recommended. When this is not possible, the following criteria will be applied:

1. A three (3) day maximum family vacation per school year is allowed and is **not counted** against the five (5) day attendance requirement absence limit. Vacations in **excess** of three (3) days are charged against the five (5) day attendance requirement absence limit. Example: A family vacation of five (5) days, three (3) of those days are non-chargeable, the remaining two (2) days

count against the attendance requirement. In addition, vacations in excess of three (3) days **count against** the outstanding attendance incentive plan for seniors.

2. Vacations require the student/parent to have a pre-arranged absence form filled out and on file in the Attendance Office.
3. The assistant principal must be contacted for prior approval, arrangements must be made for necessary assignments and materials, and make-up work is to be completed as arranged between the student and teacher.
4. It will be the school's responsibility to inform parents and students of potential problems. Generally, these problems will be a concern with the student's academic standing and attendance record prior to the vacation.

Web Page Publishing Guidelines

Charlotte Public Schools supports and encourages its teaching staff and administration to use the Charlotte Public School Web Page (www.charlottenet.org) to publish information consistent with the school's purpose that reflects well on the District. On occasion it may contain student work, included but not limited to: projects, materials, artwork, and assignments (which might include a student's picture), identified using only a student's first name. *(For a copy of the complete policy, please contact the building Media Center or visit the district web site at www.charlottenet.org)*

Parents not wishing to authorize posting of a student's work or information should contact the school office and request a Permission Denied to Publish Student Materials and/or Information form.

COMPUTER/EQUIPMENT/INTERNET USE POLICY

The goal of using computers and/or the Internet is to locate information for educational purposes that support specific curriculum objectives. Students using computers and/or the Internet will increase their technological skills, communication skills and information gathering skills as they work with data and other people. Students using computers/Internet agree to follow these guidelines:

1. I will not use the Internet unless I have a CharlotteNet account and/or Instructor's permission.
2. I will follow the Instructor's directions on the Internet and use it only for school purposes.
3. I will not abuse any policies, procedures or computer hardware, software, and/or other technology equipment.
4. I will not give out any personal information (*name, address, phone number*) about others or myself on the Internet without my Instructor's permission.
5. I understand that the Web Sites I access and the language I use on the Internet must be respectful, responsible, and educational. If I have any doubts as to the appropriateness of a Site, I will contact my Instructor **BEFORE** accessing that Site.
6. I will notify my Instructor immediately if a problem exists with hardware, software or Internet use.
7. I will not copy, alter, install, download or give out files unless I get permission from my Instructor.
8. Class accounts are to be used **ONLY** during that class period with permission from my Instructor (*no other time is allowed unless special permission is granted and supervision is provided by the classroom teacher in charge*)

ZEROES AREN'T PERMITTED (ZAP)

POLICY – “ZAP” (Zeroes Aren't Permitted)

This program (ZAP) is designed to provide motivation for students to use given class time appropriately and complete assignments on time. Doing quality, timely work not only improves student assignment grades, but also better prepares students for assessments. Late credit is always preferable to a “zero” no matter what the assignment.

All students at Charlotte High school are expected to complete all teacher given assignments. Failure to turn in assignments when they are due will result in students being referred to an after-school ZAP Lab (2:55-3:50 Tuesdays and Thursdays). Students will be allowed to leave ZAP when work is completed and handed in to the ZAP supervisor.

Students are also expected to turn in satisfactory work. Satisfactory work is defined as meeting the minimum requirement for home work and/or projects in a particular class, as defined by the teacher. Each department at Charlotte High School has specific ZAP Guidelines. Students are expected to follow the guidelines of that department.

GUIDELINES AND IMPLEMENTATION

1. ZAP lab will be held 2:55-3:50 each Tuesday and Thursday.
2. Students are to attend one (1) ZAP Lab session (by use of a ZAP form) whenever they are referred by a teacher for not turning in a required assignment, consistent with the published department standards. Students referred by more than one (1) teacher will serve the ZAP lab sessions concurrently
3. The teacher will inform the student of their ZAP Lab session and contact the student's parents via telephone or e-mail for initial ZAP session assigned by the teacher (students need 24 hours notice). Parent notification for subsequent ZAP Lab sessions will be handled through department policy/form.
4. Students turning in work that does not meet the minimum standards of quality can be assigned a ZAP Lab session in order to redo or correct the assignment.
5. ZAP Lab sessions will not be assigned for unsatisfactory work later than one (1) week after the original assignment due date. (Statute of Limitations.)
***Exception – Students may be ZAPPED up to two (2) weeks for larger projects or written essays/papers.**
6. “ZAPPED” students will be given a copy of their ZAP form and that will serve as their pass to ZAP Lab. Students must sign in with ZAP session supervisor by 2:55 p.m. to be counted present. Students will only be allowed after 2:55 p.m. if accompanied by zapping teacher. No written passes will be honored.
7. Transportation home from ZAP is the students/parents responsibility.
8. Assignments completed and turned in at the assigned ZAP Lab session will receive a 10% penalty or a value consistent with published department standards.

9. ZAPPED students who do not attend their assigned ZAP Lab session will be assigned a Saturday School and lose school privileges (forfeiture of their school privilege card). Failure to attend the Saturday School session means a student will have no school privileges and will be suspended the Tuesday following the scheduled Saturday School.
10. Assigned ZAP Lab sessions take precedence over all other school activities (sports, music, co-op, etc.). Students are encouraged to communicate with coaches, sponsors, directors/advisors and employers when necessary
11. Students are still responsible for turning in work even after their ZAP and/or Saturday School session. Each department has published guidelines that cover how this late work will be valued.
12. Students should know that they must complete assignments that they received a ZAP session for to maintain appropriate card status. Failure to follow ZAP Lab session guidelines prior to the end of term will result in student forfeiting card status until the Saturday School is served.
13. Staffing for ZAP Lab sessions will be covered by high school staff. Each staff member will be responsible for one (1) lab session hour, one (1) time during the school year. This includes all administrators, counselors and media professionals.
14. ZAP – Zeroes Aren't Permitted
CHS – "A no maroon level zone!"
