

Charlotte High School

FIRST Robotics Competition Team

O-BOTS 5710

Team 5710, the O-BOTS, is a third year robotics team from Charlotte High School with 25 high school student members.

Charlotte O-Bots 2016 robot, *Orange Crush*, in action at an FRC competition.

We participate in FIRST (*For Inspiration and Recognition of Science and Technology*) Robotics Competitions (FRC) which is a worldwide robotics organization that includes thousands of teams and hundreds of thousands of students.

O-Bots winning the Imagery Award in 2016

Charlotte O-Bots & their robot in front of the FRC banner at the St. Louis Championship.

Our robotics program encourages innovation and fosters well-rounded life skills including self-confidence, communication, and leadership.

The O-Bots drive team, hard at work during a match at World Championships (April 2015).

Sponsor our team!

As a public school team running a high-budget program, we appreciate sponsor donations, both in-kind and cash, to continue the work we do.

Coach Marlo Wiltse: wiltsem@charlottenet.org

Coach Don Wiltse: donwiltse@sbcglobal.net

We create opportunities for students to:

- Build and compete with a robot they design themselves.
- Work alongside professionals and engineers.
- Learn to use professional state of the art hardware and software.
- Develop skills such as engineering design, project management, programming, teamwork, and strategic thinking.

Inspiring, teaching, building tomorrows leaders and engineers...today...one robot at a time!
