Batman Visits Washington Elementary

During the Charlotte Public Schools Washington Elementary Spring Carnival, many students and parents enjoyed the evening by playing free carnival games, jumping in the bounce house, and conversing with the Washington staff. The students at Washington Elementary worked so hard in both their academics and their positive behaviors this year that they were visited by Batman “The Dark Knight.” Batman pulled up in his Batmobile and greeted every student with countless photos. Batman concluded the evening by handing out the door prizes to students. Thank you to all that supported this event, community members, volunteers, and our special guest Superhero Batman!
