DREAMS COME TRUE AT CHS!

Charlotte High School senior, Rebekah Yeary, is fulfilling a dream of helping families learn to create healthy, nutritious meals on a budget. While in Miss Hudson's Business Management 2 class last spring, Rebekah took an assignment to the next level, creating a community program, Seasoned to Thrive, and bringing it to life. With the help of All've, donations from CHS Smile Club and Recycling Program, and the financial support of other donors, Rebekah coordinated cooking classes for families in need. The family participants have the opportunity to earn the class enrollment through volunteer hours in the All've garden. August 23, 2017, marked the first Seasoned to Thrive cooking class, and it was a great success! We all hope to see Seasoned to Thrive continue to be a successful program for the families of the Charlotte area.

Congratulations to Rebekah Yeary, and everyone who helped make her dream a reality! Go Orioles! Oriole Pride!
