CHS STUDENTS REGISTER TO VOTE

On December 6 2017, the Charlotte High School class of 2018 registered nearly 100 future voters on Senior Project Day. City Clerk, Ginger Terpstra, and her staff, Jessica Davidson and Nicole Lonyo, (all CHS graduates) visited CHS to register our students in preparation for election 2018. The Ferris State University/Charlotte High School Political Science students assisted the registrars by promoting and encouraging their fellow students to register. Senior Audrey Frost sums it up this way, "this is the easiest way to have your voice heard. Why wouldn't you register and vote?" Oriole Pride is Orioles from the past, helping Orioles of the present, who are our future!
