**CHS SENIORS GIVE BACK TO COMMUNITY**

One of the many senior project groups at Charlotte High School has decided to give back to the community by hosting a collection drive for hygiene products from February 20th-23rd at the high school. The home varsity basketball game on February 23rd at 7pm will be the conclusion of this project, where the students will collect any hygiene products that the community would like to donate. Students who bring in 1 or more hygiene product(s) will have their name placed in a raffle. Drawings will occur at the start of the game; the lucky winner of each drawing and 1 friend will have the opportunity to sit on a couch by the team entrance and will receive free popcorn and water. The products collected will be donated to the SIREN/Eaton Shelter in Charlotte. Some hygiene products that are needed at the SIREN/Eaton Shelter are toilet paper, soap, baby supplies, and cleaning supplies.
