(Tech Camp, Ages 8-12, space limited to availability)

Week 6	July 14-18	M	T	W	TH	F
Week 7	July 21-25	M	T	W	TH	F

Week 1 June 9-14
Survivor Week
in Paris

We begin the week being assigned a "tribe". As the week progresses tribe members will name their tribes and design a tribal flag to carry to each of our daily team building European influenced challenges.

Week 2 June 16-21
Wacky Chef Week

What could you create with no stove or oven? This week the campers will be having fun with ingredients as they create fun recipes using only a light bulb, microwave, freezer and refrigerator. To finish out this week, we will take a field trip to Subway to create our own lunch. Get ready for some tasty treats!

Week 3 June 23-28
Junkyard Challenge Week

Campers will team up into small groups and we challenge to be creative. How will they build a race car and robot using only recyclable items that are supplied? Can the teams succeed using everyone's ideas?

Week 4 June 30-July 4
Scientist And Inventors
Week

What can campers invent and grow this week when they use simple machines and every day ingredients from the grocery store? Campers will learn how to grow crystals using charcoal and some other special ingredients. Can they create electricity using just a potato? Put on your thinking caps for a week of inventing and exploring. At the end of this week, our budding young scientists will take a field trip to Impression Five Museum.

"TECH CAMP"
Optional Week 5 July 7-11
from 9:00am-12:00 pm

Specialty Camp for **ages 8-12 only**
Space is limited to 20 children
Full week only - no part time \$125.00

Week 5 July 7-11
High Flyin' Fun Week

Come take flight with us when we answer the question of how high can it fly? Campers will create paper air-planes, kites and rockets. We will then put them to the test and see how high they can fly.

Week 6 July 14-18
African Safari Week

What kind of animals live in the safari and what do they eat? We will be taking an expedition to find out this week. Teams will use their imaginations and create their own safari with paper Mache masks of elephants, tigers and lions. Campers will build on their knowledge of wild animals that live in the safari when they visit Binder Park Zoo at the end of the week.

Week 7 July 21-25
Fear Factor Week:
Nickelodeon Style

How brave will the campers be this week? This week is designed much like the reality TV show and the Nickelodeon channel combined. There will be gak and worm physical challenges not to mention weird things to eat. Are you brave enough for this week?

Week 8 July 28-August 1
Sports and Relays

Do you love Sports of all kinds? This is the week for you. The campers will be part of team and be challenged in several kinds of summer sports/relays like baseball, kick ball, soccer, tennis the list goes on. The campers will also attend and cheer on the Lansing Lugnuts on Monday July 28, at Oldsmobile park. Don't forget your tennis shoes this week!!

Week 9 August 4-8
Wild, Wild West Week

This week the campers will be brushing up on their cowboy and cow-girl skills as they are challenged to having a good time as they learn how to lasso a bull, barrel race on a stick, horse back ride and pan for gold. They will even enjoy the rodeo games. The campers will head to North Fork farms to see how they lived in the wild west. Don't forget those cowboy hats!

Week 10 August 11-15
Hawaii week

Aloha!! This week the campers will visit a lush paradise and learn the native way of life as they explore how to hula and what a volcano looks like while it erupts. Campers will also be getting crafty this week as they make flower leis and custom designed surf boards. Campers will get a chance to taste some of the Hawaiian Islands delicacies such as pineapples, coconuts, and mangos. At the end of this week, we will wrap up with a Hawaiian luau.

Week 11 August 18-22
Mexican Fiesta Week

Hola Amigo!! As they say in Mexico. This week the campers will do all things Mexican! They will be making and decorating a piñata for the fiesta that will be celebrated at the end of the week. They also be making their own sombreros and baskets. If you love Mexican food, you'll love it when we get to taste it. Yummy!

Week 12 August 25-28
Space Week

Houston, we have lift off! This week, campers will live like an astronaut as we lift off and explore the great outer space. We will also discuss what space food tastes like and what the moon might look and feel like. We will travel between planets as they build their own solar systems. Campers will return to Earth at the end of the this week (Thursday) and wrap Summer Camp up with a end of the summer party!
