

**Charlotte Public Schools
Request for Technology Access
2006/2007 School Year**

Date _____

Name _____ Building _____

I am requesting the following computer/network access or service that deviated from the district guidelines and standards.

Access or Service Requested:

Request for making this request: _____

I have read the Charlotte Public Schools District Policy and Guidelines on Software Copyright. I am fully aware of our software compliance policies and agree to abide by those policies. I understand that violation of any above policies may result in disciplinary action.

USER SIGNATURE DATE

Please be aware that requests for access could unnecessarily compromise your computer. Due to limited technical support staff, requests for service that result from this access will be addressed as possible. The solution to your request for service may be re-installing your computer to a basic level of operation as the building or office standard.
