

## **May Media/Tech Talk**

By Jennifer Varney, Director of Media and Technology

### **DID YOU KNOW**

- Regional Technology Academy
  - July 26, FtF PD, Ingham ISD
  - July 27, Discovery Day, Ingham ISD
    - Registration will be available by May 14 at the Ingham ISD website
      - <http://www.inghamisd.org/>

### **GWAVA**

Below is the link which you can bookmark in order to manage your quarantine in the spam filtering software GWAVA. If you are looking for a message that is being sent to you that you think may be getting flagged as spam, you are able to log in any time of the day to see all the messages that are sent to your quarantine.

<http://10.0.0.6:49285/contents/login.shtml?>

Make sure to enter in your email address and your password. You will then have the ability to look through spam as far back as 30 days prior. There is also the ability to refine to search for a specific sender, domain name or subject. Once you find an email that you may want to release, simply click on the check box to the left of that message and then choose the “release” button and it will be sent to your Groupwise mailbox.

While we feel that we have a better handle on the Groupwise and GWAVA issues we have been having over the past month, there have been some isolated instances that have come to our attention on an individual basis.

If you feel you are still experiencing issues, please contact your building lab managers.

### **“WORTH THE SURF”**

CTRL + Click image to view Newton eBook

Each month, Sylvan Dell will feature a different eBook for free at [www.SylvanDellPublishing.com](http://www.SylvanDellPublishing.com)! View the entire eBook in English and Spanish, absolutely free with no login required. Just click and read! April's featured eBook is one of our newest titles, *Newton and Me*, about a boy and his dog, Newton. Join them as they discover the laws of force and motion in their everyday activities. After reading, take the [quizzes](#) and complete the [For Creative Minds](#) activities on the [Newton homepage](#). Great for a fun, educational summer activity!

We want your teachers, students, and the parents to take full advantage of our eBooks and teaching materials. For this reason, we have posted on our website a short [Guide to using Sylvan Dell eBooks](#) in the Classroom. Click the button below (also linked from the Sylvan Dell homepage) and to help you get the most of our eBooks!

### **MIDDLE SCHOOL MEDIA SPECIALIST**

The media/technology department would like to take this opportunity to thank Teri Terry for her years of service as a media specialist for Charlotte Middle School as well as her dedication to the media profession. Teri has served many years in a professional capacity for media organizations as well as being a highly requested trainer for media and technology curriculums.

Teri will be retiring at the end of this year and we wish her well.
