## **CHARLOTTE PUBLIC SCHOOLS K-4 STUDENT LAB/CLASSROOM COMPUTERS/EQUIPMENT/INTERNET USE POLICY**

The goal of using computers, the Internet, and/or any type of equipment, is to locate information for educational purposes.

### **I WILL:**

Always follow my teacher's directions for using computers, equipment and the Internet

I will not use the Internet unless I have my teacher's permission

Use computers and equipment with respect

Follow the rules about using the Internet

Ask for help when I need it

Not give out my name, address or phone number on the Internet

Tell my teacher if the computer or equipment isn't working

Not copy or use someone else's files or software

A full version of the District's Policy for Electronic Information Access and Use for Educational Purposes can be located at: [www.charlottenet.org/technology.htm](http://www.charlottenet.org/technology.htm)

*Adopted by the District Technology Committee May 27, 2003*

*Updated March 23, 2004+*
