The CUE "Can" Make a Difference!

The canned food drive has been a long-standing tradition for schools in Charlotte, and the Upper Elementary is keeping this tradition going.

Thanks to leadership from Lisa Hoyt's and Amy Byam's 4th grade classrooms, students at Charlotte Upper Elementary have been collecting cans to help families in need. Our school-wide goal was to collect 600 cans, and so far we have collected well over 1,000 cans. Way to go CUE students!
