CPS Announces November Employees of the Month

Charlotte Public Schools is pleased to announce that Ms. Sue Braden has been selected as the Support Employee and Ms. Kim Caudell has been selected as the Certified Employee for the month of November.

Sue Braden, the district's Computer Software Workleader, was nominated by Kathy McCoy for all of her support and assistance with Skyward (our student data base software). Kathy indicated in her nomination that Sue has answered multiple questions, provided training and was always very supportive and extremely

patient while offering help and assistance. "As busy as she is, she always took the time to help me out.....She is a behind the scenes person, but, so valuable...."

Ms. Kim Caudell, Principal at Parkview Elementary, was nominated by Diana Bartolacci, April Boak, Christy Huver and Michelle Yoder for her never-ending dedication to the staff and students at Parkview. The nominating team wrote: "Kim continually goes above and beyond to make sure students receive the highest quality education in our school system and does so with enthusiasm and compassion." "Kim motivates our staff by demonstrating high expectations, but does so in a positive and uplifting way.....She wholeheartedly cares for all members of our Parkview family."

Congratulations to both Sue and Kim. Charlotte Public Schools is very proud of our employees and appreciate their efforts on behalf of our students and staff.

If you know of a CPS employee who goes "above and beyond", you are invited to nominate them for employee of the month. Information is available on the District's website: www.charlottenet.org under the *Staff* tab.
