## **New Offering at Charlotte Public Schools!**

Charlotte Public School is launching a new kindergarten readiness program entitled "Kindergarten Prep Camp".

The goal of the program is to provide our September 2015 incoming kindergarteners with opportunities to discover, explore, and experience age appropriate activities while promoting school readiness. There will be a focus on academic building blocks (literacy, phonics, and math) as well as physical and social/emotional skills necessary for a solid foundational beginning to school. Confidence in the child's abilities, developing a love of learning, making new friends, and an enthusiasm and excitement for the adventures of school will be promoted. "We are pleased to be able to offer this exciting new opportunity to our youngest Orioles," stated Mark Rosekrans, Superintendent. "It is our goal to begin building strong relationships with our students and their families earlier than in the past in order to build capacity for greater academic and social success."

Kindergarten Prep Camp will be a 10 week program beginning June 22 - August 28, 2015, at Weymouth Child Development Center (346 State St., Charlotte, MI.), from 8 a.m. until 2 p.m., two days per week. Breakfast, lunch, and snack will be provided. If needed, there may be extended hours for child care.

While this is a tuition based program, DHS is accepted and there are significant scholarship opportunities available for those that qualify. There are limited spots available, so families are encouraged to call and reserve their spot today! For questions or to enroll, please contact Jen Radee, Weymouth Child Development Center Supervisor, at 517-541-5181 or [radeej@charlottenet.org](mailto:radeej@charlottenet.org).
