**Charlotte Public Schools Seeks Input on Current Athletic League Membership**

On June 17<sup>th</sup>, a group of coaches, administrators, parents, athletic boosters, and school board members met to reflect on our first year as members of the I-8 athletic conference, and to develop a survey to share with stakeholders. The survey, designed to solicit input from parents, coaches, boosters, board members, and community supporters, allows the community to weigh in on items like driving distances, level of completion, community relationships, and press coverage. CPS recognizes that athletics play a huge role in community pride, and the hope is to have anyone interested fill out the survey. It can be found at the Charlotte Public Schools homepage, at [www.charlottenet.org](http://www.charlottenet.org). Thank you for your support, and Go Orioles!
