Charlotte Upper Elementary Student Council Visits Hope Landing

The Charlotte Upper Elementary (CUE) Student Council, a group made up of student leaders from 4th, 5th, and 6th grades recently visited Hope Landing. The group visited with the residents and played several rounds of Bunco. Student Council Advisor and 5th grade teacher, Tamra Weissenborn said, "It was wonderful to see our young people laughing and making connections with the residents of Hope Landing. These kids are special; always looking for ways to make a difference. I think it was fun for both groups to spend time together." A special thank you to the residents of Hope Landing for letting our young student leaders spend the day with them. Another great example of Charlotte Oriole Pride!
