Charlotte Upper Elementary Welcomes Back CHS Grad Ms. Eldred!

Charlotte Upper Elementary is excited to welcome Ms. Meghan Eldred to the teaching staff. Ms. Eldred is a 2010 Charlotte Oriole graduate. Upon high school graduation she attended Central Michigan University and Olivet College. Ms. Eldred finished her collegiate career with a BA in English/Language Arts for elementary education. Ms. Eldred enjoys spending time with her family and friends and playing co-ed softball during the summer and fall months. Her travels have taken her to several states and abroad to Jamaica, Greece, Italy, St. Maartin, St. Kitts, San Juan, and Grand Turk. Ms. Eldred further enjoys watching football (Go Green!) and baseball (Go Tigers!). She loves adventures that give her an adrenaline rush – roller coasters, scary movies, haunted houses, etc. Ms. Eldred shared, "I am ecstatic to be here at the CUE teaching the young boys and girls in 5th grade and collaborating with some of the best teachers in the state. I hope to continue this journey of teaching at the CUE for years to come." Welcome back to Ms. Eldred! Go Orioles!
