SHAINA SIMMONS JOINS CHARLOTTE ELEMENTARY STAFF

Ms. Shaina Simmons has joined the Washington and Parkview Elementary staff as a social worker in both buildings. Shaina has had many experiences with children including being a social work intern at Dansville Public Schools and a preschool teacher at KinderCare Learning Center.

Shaina's goal for this year is to place resources and prevention programs in place to help students. She is forming relationships with students and providing a place for them to feel supported to express their feelings.

Shaina has become part of the supportive Charlotte community and taken an active role in showing young people that they can overcome difficulties and as a result, able to help give them a better chance of succeeding in school. She is extremely proud in being an Oriole and takes great pride driving around town seeing signs in yards, stickers on cars, and banners in windows.

"I love being able to work with so many students and families all at once. I am very excited to be part of the Oriole team and I hope my addition to our elementary schools will provide students with another avenue to meet their emotional needs," shared Shaina. Please help us welcome Ms. Simmons to the Oriole family!
