PARKVIEW ELEMENTARY ACCEPTS READING CHALLENGE

Mrs. Brimhall's second graders at Parkview Elementary School have taken the At Home Reading Challenge very seriously. For five weeks in a row, 100% of these motivated readers have all brought back their reading logs to meet the weekly challenge. These second graders have internalized that just a few minutes each night of reading can improve their school work and vocabulary skills. Congratulations to Mrs. Brimhall and her students for being great examples of what learning can do! Go Orioles! Oriole Pride!
