**Charlotte Public Schools Food Service Department Welcomes Kristin Hayes**

Charlotte Public Schools would like to welcome Kristin Hayes as a member of the Food Service Department at the Middle School and Upper Elementary. Kristin has lived in Charlotte for two years with her son Gavin and daughter Jewel. She relocated from Midland where she worked as a food service cashier at Midland Public Schools. Kristen is the perfect fit working with the food service staff at the Middle School and Upper Elementary serving students lunch. In her spare time she loves to spend time with her children and crocheting. We are all excited to have Kristin officially join our Food Service Team. Go Orioles!
