Weymouth Child Development Center Opens New Infant Room!

Charlotte Public Schools' Weymouth Child Development Center is excited to announce the opening of a second infant room. This room will have a smaller group maximum, lending itself to more one-on-one teacher to child interactions and child specific planning. Both infant rooms at Weymouth are on demand for feedings and naps, and are focused on hands on, child led learning. The infant rooms provide a calm, open and inviting environment for infants to grow and develop during their first few months of life. This is another exciting addition to the Weymouth program! The new room has filled fast with only a couple of spots now available. For more information on Weymouth's infant classrooms or to enroll today, please contact Jen Radee at 517-541-5181.
