CHARLOTTE BUSINESS STUDENTS EARN MICROSOFT CERTIFICATIONS

Congratulations to the new CHS Microsoft Office Specialist certified students. On March 29, students took the MOS PowerPoint 2013 certification exam, and 12 students successfully passed certification. The following students are certified in Microsoft PowerPoint 2013: Nathaniel Bauer, Samuel Clark, Ashley Friar, McKenzie Galinis, Leonardo Garcia, Aiden Goddard, Joshua Hazebrook, Taylor Lindsay, Allison Lubbers, Matthew Roddy, Avery Tuller, and Tyler Vorce.

The MOS program is an industry-recognized, standards-based program for validating Microsoft Office skills. These students are currently enrolled in Computer Applications class taught by Mrs. Tina VanSyckle, which has prepared them to pass this special certification test. For eight weeks, the students have been working on exercises, assessments, and computerized practice tests to prepare them for this exam. These students received an official certificate from Microsoft and have been added to the Wall of Fame posted in the computer lab.
