### **ACES Comes To Parkview Elementary School**

Mr. David Simpson, of the Charlotte Farm Bureau Insurance Agency, recently visited Charlotte Public Schools' Parkview Elementary to promote ACES (All Children Exercise Simultaneously). ACES is a chosen day for all students in Michigan to have the opportunity to enjoy an outdoor physical activity. Mr. Simpson explained that he has always promoted good health and offered the students the opportunity to run or walk to show their dedication to keeping fit on a track set up on the playground.

Special guest, Mrs. Lorraine Cody, former 40 year veteran Charlotte teacher and Mr. Simpson's aunt, entertained the students with a story under the large maple tree on the playground before the race. As a teacher, she had the tree transplanted from her own yard to the playground and now all 420 Parkview students can sit under it for shade.

Mr. Simpson also made a donation to Parkview's efforts to keep students active and healthy. The donation will be used to purchase small play equipment for students to use during recess.
