### **CHS SENIORS TAKE A TRIP DOWN MEMORY LANE**

<http://www.wilx.com/content/news/Local-Grads-Take-Trip-Down-Memory-Lane-425862294.html>

Charlotte High School's senior farewell tour launched at the school where underclassmen celebrated this year's grads by cheering them on as they marched down their school halls one last time. Then the seniors hopped on buses to the middle school and different elementary schools to meet their former teachers and current students.

Principal Bill Barnes said, "It builds a great sense of community within our schools. and it builds a great sense of what is possible of our students."
