CHS STUDENTS THANK MEIJER OF CHARLOTTE

In order to provide notebooks and folders to all students in the CHS Freshman Academy and the English 10/Composition courses at Charlotte High School, Mrs. Becky Carter solicited donations from Meijer of Charlotte. Meijer generously donated a \$300 gift card allowing Mrs. Carter to make the needed purchase. On the first day of class each student enrolled in the Freshman Academy and the English 10/Composition class received a notebook and folder to use throughout the school year. As a result, students were able to start the school year organized and with the materials they needed. Charlotte High School students and teachers would like to say thank you for the donation and for helping to provide a positive start to our school year.
