Tiger Sharks Ready to Make a Splash

The Charlotte Tiger Sharks, who call the Charlotte Public Schools Aquatic Center home, have produced several MTSL (Michigan Team Swim League) State Champions for swimmers ages five through eighteen. Over the past two years, former Tiger Sharks have been event champions at the CAAC Red Division League Championships at the high school level, and have even broken a meet record at League Champs. Now, the Tiger Sharks are getting ready to compete with some new competition, USA Swimming.

USA Swimming is the organization that paves the way for athletes who aspire to compete with the best competition possible, and provides qualifying meets for Olympic hopefuls. This summer, the Tiger Sharks will be given the opportunity to swim in meets sanctioned by USA Swimming where they will experience a new level of competition. While the Tiger Sharks are a great place for swimmers new to the sport, USA Swimming also supports novice swimmers as well. Several meets are designed for new swimmers and even swimmers who are eight years old or under. These events help to foster a lifelong love for the sport and encourage swimmers to do their best.
