

Professional Speaker Series: Suicide Prevention

FREE | Tues., September 18 | 6 p.m. – 7:30 p.m.

The following seminar is being offered free of charge by Al!ve: Your Community Well-Being Place.

This seminar covers the general scope of suicide, the latest research on prevention and what people can do to fight suicide. Attendees will learn the risk and warning signs of suicide and how, together, we can help prevent it.

The speaker is Vicky Mennare. She is a Michigan Chapter board member and a national field advocate for the American Foundation for Suicide Prevention (<https://afsp.org/>). This is not dedicated to a specific audience but rather meant to be general enough to have relevance for parents, students, staff alike.
