Welcome Cameron Bramer to CPS

Charlotte Public Schools is pleased welcome Mr. Cameron Bramer, who serves in the capacity of Student Support Specialist at both Galewood Early Elementary and Washington Elementary schools.

A native of Olivet, Michigan, Mr. Bramer brings with him vast knowledge and experience working with at-risk youth, some of which was gained while serving as a Behavioral Technician within a self-contained Emotionally Impaired (EI) classroom at Charlotte Upper Elementary (CUE). Mr. Bramer acquired additional skills working with students displaying behavioral difficulties while recently serving in the capacity of Dean of Students at Olivet Middle School.

Quite simply, Mr. Bramer's mission as a Student Support Specialist is to create positive relationships with all he encounters, and to be someone who is committed to ensuring that each and every student feels cared for and knows the potential that lies within.

Mr. Bramer attended Central Michigan University on a football scholarship, and graduated from Olivet College with a Bachelor degree in Criminal Justice.

Please join us in welcoming Mr. Bramer to the Oriole family!
