TAYLOR CAREW JOINS THE PARKVIEW TEACHING STAFF

Taylor Carew has joined the Parkview Elementary teaching staff as a third grade teacher. Mrs. Carew received her education degree at Michigan State University and recently taught in Gaylord, Michigan.

Mrs. Carew was drawn to the area with her new husband due to the high expectations that Charlotte Public Schools has for both teachers and students. She feels CPS is a district that she will flourish in due to the support and encouragement she has received from the first time she stepped into the district. Taylor loves the feel of a close-knit, small town that Charlotte has to offer and the closeness to her alma mater.

She is looking forward to building relationships with her students and their families by becoming part of the community. Mrs. Carew's words of advice for her students are, "Be confident in yourself. You are more brilliant than you realize and I look forward to learn from you just as much as you will learn from me. We are capable of amazing things."
