CHARLOTTE BUSINESS STUDENTS EARN MICROSOFT CERTIFICATIONS

Congratulations to the new Microsoft Office Specialist (MOS) certified students at Charlotte High School. On September 30, CHS students took the MOS PowerPoint 2016 certification exam, and 8 students successfully passed certification. The following students are now certified in Microsoft PowerPoint 2016: Amiliana Argumedo, Osa Ounsombath, Andrea Rausch, Zak Conley, Chase Oversmith, Ben Stambaugh, Gabe Wertz, and Izick Garza.

The MOS program is an industry-recognized, standards-based program for validating Microsoft Office skills. These students are in Computer Applications class taught by Mrs. Tina VanSyckle, which has prepared them to pass this special certification test. For 6 weeks, the students have been working on exercises, assessments, and computerized practice tests to prepare them for this exam. These students received an official certificate from Microsoft, and a second certificate is posted to the classroom Wall of Fame. Congratulations CHS students!
