CUE STUDENT STORE GIVES BACK

The Charlotte Upper Elementary (CUE) Student Store, which sells a variety of school supplies and holiday items, recently donated to the Siren Eaton Shelter of Charlotte.

Mrs. Kineman's resource room operates the store two days a week, selling pencils, erasers, paper, and fun items like crafts and stickers. Donations are made several times a year to local charities. On Wednesday, October 24, Tracy Mulvany, of Siren Shelter, visited Mrs. Kineman's classroom to explain the Shelter's mission and collect the \$250.00 check. The students learned that the shelter helps those who have been abused, need a place to live, need food or clothing, or help paying bills.

Their offices are located in the large building behind the Charlotte Burger King. We were impressed with their many services and Mrs. Mulvany was pleased with the extra funds.

Great work CUE students in serving your community!
