## **CHARLOTTE STUDENTS BRING HOME 2<sup>ND</sup> PLACE VEX IQ WIN**

Six teams from Charlotte Upper Elementary recently completed in the first annual VEX IQ robotics competition at Haslett. Every team managed to qualify for the finals, with 5 teams finishing in the top 10. Congratulations to team 14581G, The 4 Horsemen, who finished in joint second place working with a team from Grand Ledge. Preston, Ryce and Jeremiah collaborated with teams from around the state to complete their 2nd place finish. All students from Charlotte Public Schools showed their Oriole Pride throughout the tournament. Congratulations!
