Latest CUE Student Store Donation

Once again, the Student Store at Charlotte Upper Elementary has made a donation to a local charity. Last week, Fireman Chris visited Mrs. Kineman's Resource Room to share his experience with the Charlotte Christmas Kiddies and accept a \$300.00 check to be used for toys and other gifts.

He shared with the class the history of the Christmas Kiddies. Over 100 years ago, local businesses collected dolls and homemade toys to hand out to children. Eventually, they asked the firemen if they would take over this annual event.

Since that time, the number of boxes distributed has grown to about 200 with over 500 children benefiting from the community's generosity. The night begins with Santa sliding down the fire pole and the trucks then cover four sections of Charlotte, along with the surrounding areas outside of town making deliveries. The sirens on Christmas Eve have become a welcome sound to many.

Our class is proud to be a part of this tradition.
