It's a Charlotte Christmas

It's a Charlotte Christmas is back and better than before! This year, it's being held at the Courthouse Square, right in downtown Charlotte. On Saturday, December 22nd, come on down to the Square anytime from 4 to 7pm to see Santa, his reindeer, and a very special - or should we say grumpy? - guest! There will also be horse drawn wagon rides and other holiday activities for the whole family. Join the community this holiday season for family fun and unforgettable memories!
