CUE STUDENTS GIVE BACK

The Charlotte Upper Elementary Student Store, run by Mrs. Kineman's resource room, made a donation of \$300.00 to the Pawsibilities Rescue of Bellevue. Connie Friedly, who owns and operates the rescue, came with one of her rescue dogs, Frenchie. He is a bulldog who loves children and enjoyed all the attention he received from the students.

The CUE Student Store is open two mornings a week, selling school supplies, holiday items, and mints. The profits are donated to area charities. This school year, we have given to the Charlotte Christmas Kiddies, Helping Hands, Siren/Eaton Shelter, and Pawsibilities.

Pawsibilities is an animal rescue in its second year of operation. It houses and places dogs, cats, rabbits, reptiles, and even ducks. They are dependent on volunteers and all donations go directly to the care of the animals. If you are thinking of adopting a pet, you may want to look into Pawsibilities, located at 2200 W. Bellevue Hwy.
