CHARLOTTE BUSINESS STUDENTS EARN MICROSOFT CERTIFICATIONS

Congratulations to the new Microsoft Office Specialist (MOS) certified students. Earlier this month, CHS students took the MOS PowerPoint 2016 certification exam, and 18 students successfully passed certification.

The following students certified in Microsoft PowerPoint 2016: Cole Coats, Elise Crossman, Nevaeh DeMuth, Zachary Hodges, Michael Leiby, Haidyn Yeomans, Kade Andrews, Charlee Bahr, Jada Brown, Reese Cornish, Ryan Friar, Marshall Houston, Franklin Merrill, Conner Quinn, Alivia Somers, Gibson Tuner, Chase Vandermeer, and Jacob Anderson.

The MOS program is an industry-recognized, standards-based program for validating Microsoft Office skills. These students are in Computer Applications class taught by Mrs. Tina VanSyckle, which has prepared them to pass this special certification test. For six weeks, the students have been working on exercises, assessments, and computerized practice tests to prepare them for this exam. These students received an official certificate from Microsoft, and a second certificate is posted to the classroom Wall of Fame.
