CHS INTERACT CLUB HELPS TO COMBAT HOMELESSNESS

The CHS Interact Club brings together fellow students to develop leadership skills while discovering the power of Service Above Self. Our students connect with leaders in our community and around the world to take action to make a difference in our school and community, discover new cultures and promote international understanding, become leaders in our school and community, and have fun and make new friends from around the world.

The CHS Interact Club organizes one project each month that helps our school or community and one each year that promotes international understanding. The Charlotte Rotary Club sponsors mentors and helps guide Interactors as they carry out projects and develop leadership skills.

During their most recent project, Charlotte High School Interact Club members raised over \$370 for Housing Services of Mid-Michigan to help combat homelessness in the greater Charlotte area.
