Oriole Football is Back!

Charlotte High School Orioles have taken the field to prepare for another exciting football season. While Michigan high school football programs were only recently permitted to run formal practice, many Orioles have been working all summer to condition their bodies for the upcoming season.

Charlotte boasts coaching changes and a new Director of Athletics and Youth Recreation, focused on giving our young athletes the training and support they need to be successful. Such changes give Oriole fans something to get excited about – a new, inventive program focused on success.

Head Coach, Mike Sparks, while tight-lipped about the new offense, is excited about the upcoming year. “I’ve been really impressed with the dedication and ability of these young men. There’s always a lot to do to get ready for the season, but I am confident that Charlotte is going to have a return to exciting football.”

Junior Varsity Head Coach, Scott Kirchen, shares Coach Sparks’ excitement. “The atmosphere is electric. The players are dedicated and excited to get on helmets, and play this great game.”

Charlotte’s new Director of Athletics and Youth Recreation, R.J. Guizzetti, Jr., is impressed with the new coaching staff’s preparation. “I’ve been impressed with Coach Sparks, and his staff, as they work together to get our student athletes ready for the season. It’s fun to walk into a school system that is buzzing with so much activity and hard work.”

Oriole football is back! Be part of the excitement, and support your hometown student athletes. Oriole football’s home opener is Thursday, August 29th, with the Varsity players facing the Fowlerville Gladiators. The Junior Varsity player’s home opener is September 12th, against the Ionia Bulldogs – after facing Fowlerville, and Mason, on the road.
