Dear Parkview Elementary School Families:

We are excited to offer you a new resource developed in partnership with Ingham ISD. The *Family Learning Connection* provides a roadmap with resources and tools to help you support your child's education as they move from grade to grade and subject to subject.

The *Family Learning Connection (FLC)* answers questions such as "What is expected of my child at this age/grade level?", "What should I be asking my child's teacher?" and "How do I help my child at home?" The FLC also explains student outcomes as identified by the state of Michigan to ensure your child's learning is on track. Please take a few minutes to see what this site has to offer – www.inghamisd.org/flc.

We look forward to partnering with you to help each child in our school. We encourage you to use the *Family Learning Connection* to search for tips, answer grade specific questions and provide guidance to support student success.

If you have any questions, please feel free to call our office at any time.

Take care,

Kim Caudell
