Hi, Everyone,

Just a short email to let you know the teacher assignments and school information packets went out this morning in the early mail. In the packets, you will find your child's teacher assignment, emergency card, food service information, my newsy newsletter, as well as, other various important information. You are welcome to bring back any of your completed items to the Open House next Thursday at 5:00. We cannot send home the Background Check forms, but please plan to stop by our gym and our helpful staff will help you complete this form (you will need your driver's license) during the Open House. You may also stop by our office, too before school even starts. (7:30-3:30) Also, in gym, you will find a Sign Up for Your Parent/Teacher Conference Time station. Please sign up for your preferred time and then our Sign Up Genius later in the year to confirm your time.

Please be patient for the mail. If you have not received your packet by next Wednesday, please give us a call or stop by (7:30-3:30) to confirm your address with us. If you are in need of an address change, your packet probably will end up back here for you to pick up on Open House night. To change your address, we will need to review 2 pieces of identification with your new address and your name. This can be a rental agreement, title to a car, phone bill, driver's license, etc.

I have received calls about school supplies. I have attached our general school supply list that is on our website. In your packet, in your teacher's introduction letter if included, you may find that she has put in some other items. These are just suggestions if you wish to contribute.

Ok, enough for now...but have a Parkview Facebook page coming on board soon and I will invite you to join! KIM
