

August 11, 2018

Hi, Everyone,

Me, again..

I have attached our Elementary Handbook for you. It is a very long document, but is filled with the nuts and bolts of the expectations of all our students. We will not be doing paper copies unless you request one from us here in the office. In your school packet, you will find a form that we ask you to turn back into us that indicates you have read through and discussed the handbook with your child and are aware of the Concussion Guidelines. Please send or bring this form into our office on Open House night or the first week of school.

Also....our Facebook page is up and running. Please look for us under "Charlotte Michigan Parkview Elementary School" and like us. I have posted some pictures and other information about our Open House. We hope you enjoy our journal of fun we have here at Parkview.

Have a great weekend...no more today...I promise! Kim
