

December 18, 2018

Hi, Parkview Parents,

I have some reminders for our students and you for the days to come. This is a very busy week!

**Holiday Hat Day is tomorrow. We encourage our students to give back to our community with a donation to the Christmas Kiddies that our local fire department is directing. Each Christmas Eve, the fire truck delivers gifts to identified families in our town and we would like to help. Tomorrow, we ask that any student who would like to wear a holiday hat (Santa, reindeer horns, elf ears, star headbands, or any hat) to donate .25 cent to this worthwhile cause.

**2nd/3rd grades....In last week's Friday Folder, you would have found a Swim Permission Slip. This is for Jan. 9th...there is no swim tomorrow. You are welcome to get this item off your long to do list and bring it back to us, with the \$2.00 attached now to be ready for the Jan. 9th swim.

**If you are joining us this week for many of the holiday celebrations, please consider preregistering with our office-including GSRP. We will have your name tag already printed for you, so you do not have to stand in a line. Those of you with a lanyard, you are all set. Just give us a call at 541-5780.

**On Friday, we are asking all of our students to take home all clothing items for a good wash. Please make sure your child has a backpack or large bag to bring everything home. Also, please consider checking out our lost and found table when you are in our school this week too.

**Reading Logs are due on Friday. Check out our chains in the hallway...they are growing!

**A Holiday Reading Challenge was sent home last week in your Friday Folder...bright pink paper. We hope you will help your student fill out the challenge to read each day over the break to continue this good habit. We have a pretty cool reward to help our students "RING" in the new year with reading for those students who return their reading logs on January 7th.

**Our offices will close on Friday at 4:30 and reopen on Monday, January 7th at 8:15 am.

**Our second Box Top Challenge will end at the end of January. Please ask relatives for their box tops over the break and return them to school in a baggie marked with the teacher's name. The winning class will receive games for their classroom.

**If you missed the deadline for completing the Smile Program application, there is still time by going to www.MySchoolDentist.com

**Congratulations to all of our first graders, their teachers, and Mrs. Milligan for a fabulous musical performance last night at the CPAC. Bravo!

Whew....that is enough for now....enjoy the magic of the season! KIM
