Hello, Parkview Parents,

Can you believe this is the last Parkview Parent Blast for 2018!? Our staff and myself wish you the very best for your holiday break and the new year to come.

Just a few reminders before our last day is done today and a fun one it is going to be! We are going to have a Reading Celebration this afternoon to promote our Holiday Reading Challenge and watch a holiday story on the big blowup screen. Should be time for all.

a great

**The 2nd/3rd grade after school swim scheduled for Jan. 9th has been cancelled due to a swim meet taking place that day. We will get back on schedule for February. If you have already turned in your permission slip and \$2.00, we have returned those to the teachers to return to you.

**Please see the two flyers attached about events coming up very soon after our break.

**We will be sending all clothing home tonight with your child. Please give everything a good wash.
