

May 03, 2019

Hello, Parkview Parents,

Thank you to all that attended our combined 3rd grade music concert this week. The students did a beautiful job and a big thank you to the third grade teachers and Mrs. Milligan for their support.

Monday is our 2nd grade concert at CPAC. The student should arrive at 6:45 and on Monday morning during our dress rehearsal we will show the room to come at night at CPAC. The dress code for the concert is to look nice. All are welcome to see another great concert by our Parkview students.

Please remember that the bus drop off and pick up parking lot is for buses and staff only. This lot is kept clear of students and adults during critical times of the day and walking between buses is not a safe practice.

On Friday of this coming week, our future first graders from Galewood will be coming to visit Parkview on a field trip. We can't wait to meet them and have them see their new school for the next school year. We are also inviting these new families to our annual all school carnival on May 17th.

Remember, Tuesday, May 7th is voting day right here in Charlotte for our schools...hope you can find the time out of your busy day to go to the polls.

Hope this cold weather ends soon, but in the meantime continue to send your child with a coat each day to school.

Have a great weekend....KIM
