

October 29, 2018

Hi, Parkview Parents,

Halloween is right around the corner! You probably have seen the many communications from us, but I just wanted to remind you of a few details. Our parade will begin on Wednesday at 2:45. Weather permitting, we will pick up each classroom walking through the hallways and then walk through the pick up line driveway. Parties will then start around 3:00 until 3:40ish, with clean up right after. If it is raining, we will do an inside parade.

Please have your child put his costume in a bag with his name. A costume that can be worn over clothes is best and not worn to school. Please leave the hair spray and face paint for Halloween night at home. Remember, candy doesn't come back to school the next day or I will eat it!

If you have your valid background check on file, you are invited to join us on this day. If you already have a permanent volunteer tag, you do not have to wait in line for the parade to sign in. Please come in, grab your tag, and you are good to go. If you do not have a tag, you may pre-register with us. Please call our office and Julie/Heidi will have your tag all made for this day. We will not be processing background checks on this day.

If you still would like your own permanent volunteer tag, Friday, Nov. 2nd is your day during picture retakes. From 8:30-10:30, you are welcome to stop by and have your picture taken. Give Heidi/Julie a call for registration to do this.

Don't forget reading logs are due on Friday and we gain an hour of time this weekend.

Stuff a Bus begins next week through November 16th. It is our hope to fill a bus with nonperishable can goods to give to needy families in our city.

One last thing for your calendar....Nov. 19-23 is Thanksgiving Break...no school this week.

OK...enough for now! KIM
