

September 10, 2018

Hi, Parkview Parents,

Just a couple of updates from Parkview today. Reading logs came home on Friday night. We are asking each student to take a few minutes each day to read and we had a kick off assembly explaining the importance of just a few minutes of practice can make world of difference to a reader. (Don't forget to check out our Facebook page-Charlotte Michigan Parkview Elementary School for a neat video!) This year we are "Making or Breaking" our goals each week. If classrooms meet their goal of how many students bring back their reading log, they will receive a silver ring to add to their chain in the hallway. If a class breaks their goal of returned book logs, the class will receive a ring for their chain. We are hoping that each class will "Go the Gold" each week with your help. At the end of the month, we are planning

gold For a "Glow" zoomba event for all the students with reading logs returned. Please help!

AGENDA

- Opening Remarks
- Welcome
- Bond Presentation
- Fall Athletic Team Introductions
- CHS Fight Song
- Booths and Concessions Open

Please find attached a fun event for tomorrow night. The whole family is invited.

It is going to be a weird week for weather. Some days coats and some days clothes for warm weather. Please check the weather report every day.

The parking/drop off/pick up lines are going beautifully much due to your patience, input, and support. Great Start Readiness students start at our school tomorrow and will be using Rotary Park for Dean buses and parent parking. This program starts at 8:30 and leaves at 3:35. Rotary Park is still an option for our Parkview parents, but wanted you to know of this addition starting tomorrow.
