

Congratulations!

Thank YOU for making Charlotte Public Schools
a great place to serve our youth!

Week of January 14, 2019

Linda Carpenter (Transportation): “I needed to move a large group bus stop from a bus and Linda was more than willing to take it. I really appreciate her being a team player and always being pleasant and willing to do what is needed to help out. Thank you Linda!” ~Karen Tomlinson

Technology Department: “Many of my class projects require students to use email and send attachments. Unfortunately, some documents were not sent because of administrative permission errors, which we could not figure out. After WEEKS and WEEKS of searching and looking, the technology staff finally figured out the problem! They made the change and we are all super happy!! I appreciate the determination of the technology staff and never giving up!! Thank you, thank you!!” ~Tina VanSyckle

Lorin Stewart (High School): “A huge thank you to Mrs. Stewart for helping all interested sophomores get signed up for LCC next year. Providing this opportunity for our students allows them to earn college credit and get certifications that will lead them to success beyond high school. Often times students miss out on this opportunity because they are intimidated by the process or do not know where to begin, but Mrs. Stewart made signing up easy and comfortable. Thank you for all you do for our students!” ~Anonymous

Roxanne Rhines (Parkview): “Roxanne is such an encouragement to both teachers and students. She always has a smile on her face. She brings joy to Food Service!” ~Anonymous

Tina VanSyckle (High School): “As the adviser for BPA, Mrs. VanSyckle provides a unique leadership opportunity for CHS students to experience competition with other schools. This year 3 students qualified for the State Competition. Great job!!” ~Anonymous

Rick Wiersma (High School): “Rick makes relationships with students that extend beyond learning in the classroom. Not only is he providing valuable academic support, but also a safe haven for students in his classroom. Thanks, Rick!” ~Anonymous
